Paragon Solutions Group, Inc. Named To FastGrowth 100 List by CMP Media's CRN

Identified as the Number Two Fastest Growing Solution Provider Across All Specialty Areas and Business Models. CRN is the 'voice' of the Channel

Denver, CO July 24, 2006 – Paragon Solutions Group, Inc. (PSG) today announced that the company has been identified by CMP Media's *CRN*, vital information for VARs and technology integrators, as a Fast Growth 100 company. PSG ranked number two with 875% growth from 2003-2005.

CRN's Fast Growth 100 identifies the 100 fastest growing solution providers across all specialty areas and business models. The profiles and data developed by *CRN's* editorial staff provide insights into which models and technology are proving to be the most lucrative.

"As the Channel's vital resource, *CRN* is solely focused on the Solution Provider community. This list, created by our editorial team, recognizes the Solution Providers that have worked tirelessly to support their customers. We salute them on their superior growth," said Dan Dignam, publisher of *CRN*.

"What makes this list so unique, and compelling, is that it represents such a large crosssection of the channel universe. What's more, this is a dynamic list. While 25 companies that were on *CRN's* 2005 Fast Growth 100 ranking made the grade again this year, sheer ingenuity and investment savvy propelled 75 new solution providers to growth rates worthy of the final cut."
