Paragon Solutions Group, Inc. Opens Doors in Omaha
Paragon continues to expand its territory to include Omaha, Nebraska

Denver, CO October 1, 2008 – Paragon Solutions Group, Inc. (PSG), Premier IBM Business Partner, today announced that the company has opened its doors for business in the Omaha Metro area. With a local team of A players in Omaha to match its counterparts in the Denver and Dallas offices, the Omaha Paragon group is ready to provide the same excellent consulting and engineering services and products that Paragon has successfully delivered in Denver since 1989.

The Omaha Team

Keith North, Paragon's new Director of Sales, came to Paragon directly from IBM. Keith received a Bachelor of Science Degree in Electronics from Chapman College. He has also completed a Master of Science Degree from Purdue University. His background includes engineering and consulting positions with such companies as IBM, US West, Sun Microsystems and Echo Consulting Corporation. Beginning his career as a Captain in the United States Air Force, Keith helped the USAF revise over \$100 million of computer upgrade plans. Keith's most recent position was as a System Sales Consultant for IBM, where he helped IBM's biggest account achieve their key utilization targets and contain costs by redeploying unused assets. Keith joined Paragon in October of 2008 as its Director of Sales in the Midwest Region.
