Paragon Solutions Group, Inc. names Erik Melander Chief Technology Officer

Denver, CO January 8, 2009 – Paragon Solutions Group, Inc. (PSG), named Erik Melander Chief Technology Officer, responsible for the direction and success of Paragon's services organization.

Erik will spend more of his time dedicated to evaluating innovative technologies that are in the infancy stage of their product life-cycle. His goal is to determine which of these technologies/services compliment Paragon's current portfolio of solutions and bring them to market. He will also spend more time meeting with customer and industry leaders to better brand Paragon Solutions Group, Inc. as an innovative technology and services provider.

Prior to his promotion, Erik was Paragon's Vice President of Services.
